

**Craig Allen Baumgartner, DMSc, MBA, MPAS, MPLC, PA-C, DFAAPA**

Dr. Baumgartner is the Immediate Past President of APALM. He has been continuously employed as a physician assistant/associate in multiple areas of medicine since graduating from the University of Florida PA Program in 1985 and is currently practicing in the Tampa Bay, FL region. He has previous appointments as an Adjunct Professor by the Southern Illinois University School of Medicine, a Clinical Assistant Professor by the Rosalind Franklin University of Medicine and Science and as an Instructor of Neurosurgery by Northwestern University Medical School. He previously served as a board member of the Illinois Academy of Physician Associates(IAPA), the Florida Academy of Physician Associates(FAPA) and the Association of Neurosurgery Physician Associates(ANSPA). He served on the Governance Commission and was appointed as Distinguished Fellow and Clinical Preceptor by the American Academy of Physician Associates (AAPA). He was selected as a subject matter expert by the National Commission on Certification of Physician Assistants (NCCPA) and was a member of the Physician Assistant National Certifying Exam(PANCE) Blueprint Update and Physician Assistant National Recertifying Exam(PANRE) Pilot Standard Setting groups. He has completed the Medical Professional Legal Consultant program at A.T. Still University. In addition to earning degrees in Bachelor of Health Science, Masters of Business Administration and Masters of Critical Care Medicine, Dr Baumgartner graduated from the Doctor of Medical Science(DMSc) program at the University of Lynchburg completing a specialty certificate in Emergency and Disaster Management and his doctoral project on Application of Chaos Theory to Medicine. He has provided medical legal consulting services to attorneys for 25 years.
